CHARDONNAY 2021**\$35/bottle**

A light, bright, mineral style. Aromas and flavours of pear and apple, then apricot and stone fruits. Elegant, supple and subtle; a smooth, textured mouthfeel and a fine acid line that finishes dry and delicious; drink now and often.

SAUVIGNON BLANC 2021**\$33/bottle**

A bright, clean, zesty Sauvignon Blanc displaying aromas and flavours across the varietal spectrum: kiwifruit (gooseberry) herbs/nettle and passionfruit. Enjoy in the year of vintage and over the following two years.

ROSÉ 2018**\$32/bottle**

The point of difference with this modern Rosé style is that it is made from Merlot, one of the great red wine grape varieties of France's Bordeaux region. This has been blended with Chardonnay to give a fruit driven dry lingering finish.

WHITE BLEND 2019**\$35/bottle**

The exotic Gewürztraminer is in the driver's seat aroma and flavour wise, exuding rose petals, spice rack and fresh ginger. Riesling and Chardonnay contribute structure, volume and complexity.

PINOT NOIR 2021**\$50/bottle**

Burgundy style with vibrant deep, dark crimson-ruby and a glowing fuchsia-mauve rim. Opulent aromas of red and black cherry, plus plum and an array of spices, arise from the glass. An intense palate of rich dark cherry, deep plum flavours and spices. Smooth and velvety textures enhanced by French oak tannins; good length and a lingering aftertaste.

SPARKLING MERLOT N.V.**\$60/bottle**

The nose is redolent of cherry, dark berries, plum and spices. The palate flows on seamlessly with black cherry, blackberry, mulberry, plum, spice and a hint of chocolate. Fabulous, fleshy mouth feel - and the bubbles provide tremendous texture and verve; subtle, supple, silky tannins and a fresh acid finish. It is ideal as both an aperitif and a wine of celebration. It will partner a wide range of foods.

The nose opens up to reveal classic Riesling varietal characters of floral and citrus. Citrus blossom and white flowers, lemon curd with a squeeze of lime. Match with berry and fruit based desserts.
